

FINAL PROJECT REPORT YOUTH GRANTS FOR EXCELLENCE

Nebraska Library Commission
For grants awarded in 2010
due September 9, 2011

Your Name:

Library Name:

Brief Project description for which the grant was awarded

Describe the activities you have completed

Please describe the activities still underway (or yet to be completed), if any

What positive results have you observed as a result of your project?
Please describe both qualitatively and quantitatively

EXAMPLE: [quantitative] Forty children attended at least three of the five-program series. Twenty-five had never visited the library before and did not have library cards. Twenty cards were issued to children as a result of this program.

. . . [qualitative] We observed more frequent visits by children who participated in this program - and they began to ask more questions and demonstrate more curiosity about non-school-related topics.

Page 2

Are you aware of negative results of your project? What did you learn from these and how would you do things differently, as a result?

Did the activities and their outcomes or consequences fulfill your original goals and objectives?

How do you plan to continue the activities you have begun?

What kind of follow-up do you see a need for?

Thank you! Please feel welcome to submit this report in print to Sally Snyder, Nebraska Library Commission, 1200 N Street, Suite 120, Lincoln, Ne 68508-2023, or electronically via email, to:
